

PARADE ANNOUNCEMENT

We recently announced a new, slightly shorter parade route for our Grand Carnival Parade on Wednesday 19th August 2026. However, after reviewing concerns raised by the Safety Awareness Group and legislation changes, it has been agreed that the parade will revert to the 2024 route. The parade will begin on the Carnival Field, travel through the town, proceed up Mount Street, Louden Road, West Street and along Beech Road, and finish back at the Carnival Filed.

As per the map Below:-

Details of classes are on the entry form which can be found in the back of the programme and online:- <https://www.cromercarnival.co.uk/ux/file/ref=46&ty=DOCS>

Thursday Night Illuminated Parade

Unfortunately, recent legislative changes and the cost associated with employing a traffic management company means we have also had to make amendments to the Illuminate Parade on Thursday evening.

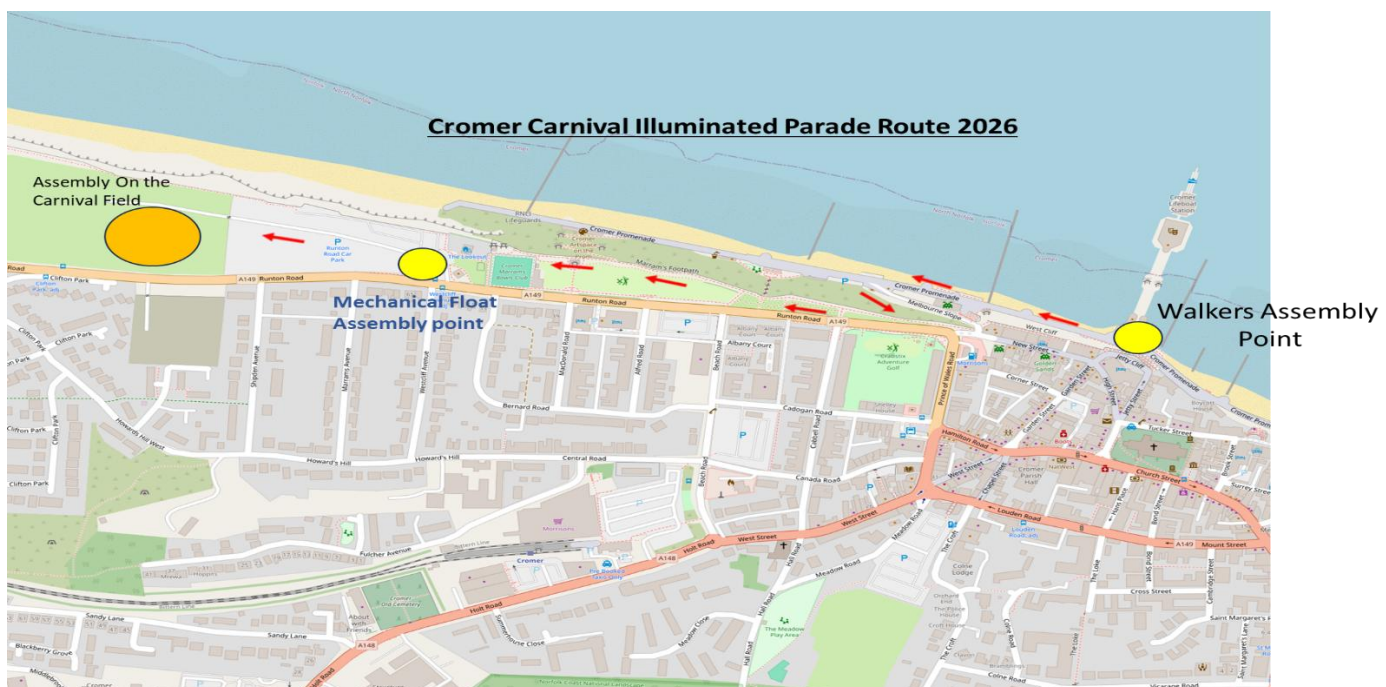

The following arrangements will apply:

Walkers

- Meet at the Pier Forecourt.
- Proceed along the Promenade, up Melbourne Slope, and then along the cliff path to the top of the Runton Road Car Park.

Illuminated Floats

- Assemble at the Runton Road Car Park.

The Entry Form can be found on the Carnival website:- [Cromer Carnival: Entry Forms](#)

Once the walkers arrive at the Runton Road Car Park (*adjacent to the Blue Sky Café*), the full parade will be formed and will proceed together down through the car park to the Carnival Field.

We appreciate you're understanding and support. These changes have been made to address safety requirements and help ensure that both parades can continue to take place safely.

Thank you for you Support

Tony Shipp MBE

Chairman Cromer V.E.O Ltd.
